CONNEXUS-GLOBAL.COM

CONNEXUS GLOBAL COMPANY SUMMARY

At Connexus Global, we exist to strengthen our clients' organisations. We provide bespoke recruitment services for multinational companies in a wide array of sectors along the global value chain, helping them to future-proof their businesses by placing top talent in crucial roles.

In the coming years, we plan to expand our ever-growing global presence, all while maintaining our locally-networked approach – and with an even greater focus on diversity, equity, and inclusion. With our strategically located offices, expert staff, and unrivalled candidate networks, we are ideally poised to take care of all your recruitment needs, allowing you to focus all your efforts on growing your business.

Our Life Sciences division supports pharmaceuticals, medical devices, consumer healthcare companies in recruiting experienced professionals across our specialist functions.

These in demand professionals sit across key functions including Sales & Marketing, Commercial Excellence, Market Access, Medical functions, QA, RA, etc.

By building engaging working relationships with the highest quality talent in these areas, we have been able to form successful partnerships with world leading companies across multiple industry segments.
